

Bayfield Community Education Foundation

The Bayfield Community Education Foundation (BCEF) is dedicated to advancing educational opportunities by offering financial support to programs that go beyond the normal funding responsibilities or capabilities of the school district. Many programs take education out of the classroom and into the “real world” allowing the children a hands on approach to learning valuable skills through unique experiences.

Donations made to the BCEF are tax exempt under IRS 501(c)(3) tax exempt status.
